

The seal of the University of Cologne is a circular emblem. It features a central figure, likely a saint or a religious figure, seated on a throne and holding a book. To the left, another figure stands, and to the right, a third figure is kneeling in prayer. The seal is surrounded by Latin text and decorative elements, including a star at the top and a shield at the bottom.

Workshop on
Indefiniteness and Discourse Structure
Pohligstraße 1, University of Cologne
Conference Room 0.12
17 November 2016
